Medium of instruction is a crucial problem for the educationists. It has been highly debatable for the education ministry also. Some say that students can group will if they are taught in vernacular-where is most of the thinkers argue that because English is the world language it should be the medium of instruction results have proved that if taught properly, both the media are desirable. Family and surroundings should be supportive then the going will be easier.

Once a puppeteer arrived in a king's court. He had 3 puppets with him. He asked the court their prices. Everybody said that the most beautiful doll should be costly but their answer was wrong ultimately, the chief minister who was the right hand of the king got up. He examined all the three puppets with a straw and said that the ugly one was costly. Upon asking, he answered that the straw when inserted into the ear comes out of the mouth of the puppet. Such people are not dependable because they can't keep a secret. The straw come out from another era of the --- doll. Such persons are not obedient as they don't listen to you. Whereas the straw directly went into the stomach of the ugly doll. Such people can be trusted and so it is costly.

Answer all the questions :

- (1) Describe the puppets.
- (2) Who decided their real price?
- (3) How could he judge them?
- (4) Give a suitable title.
